General Bid Requirements:

1. **Contact information:** Full name, UNGM number², address, fax and telephone numbers of your company and contact persons.
2. Supplier’s acceptance of the “**FAO General Terms and Conditions for Goods**” (enclosed, Appendix IV). Note that FAO cannot issue a Purchase Order in the absence of a Supplier’s acceptance of these Terms and Conditions.
3. **Payment Terms:** FAO effects payment through normal banking channels, within 30 days against invoice and shipping documents, and subject to receipt of satisfactory inspection report, if required, and acceptance of goods. FAO will, however, pay only for the goods actually accepted at final destination after inspection at unloading point(s) either by an independent inspection company or by an authorized FAO official and deduction of actual and/or liquidated damages for late delivery and/or quality deviations, if any. Letters of credit and advance payments cannot be provided.
4. Please note that the Organization will make payment to the bank account indicated by the selected supplier in its invoice, provided that the bank account is in the name of the supplier and located in the country of residence of the supplier. Any request for payment to a bank account other than that of the supplier or to a bank other than one located in the supplier’s country of residence must be specified in the offer, together with the reasons for such deviation from standard payment terms; the Organization will not be in a position to consider the request should this information be provided after the closing date of the tender. Successful bidders shall submit invoices in PDF format through the FAO ServiceNow Portal: <https://fao.servicenow.com/csp> ([User Guide](#)). For any technical issues or queries regarding the invoice submission process, successful bidders shall contact: fao@service-now.com.

Suppliers must in any case complete the technical specifications form.

² Please see Special requirements and Conditions point 12

INVITATION TO BID (ITB) NO: 2026/FABGD/FABGD/136713

6. **Insurance and Freight Costs:** To be arranged by supplier. The supplier will determine the appropriate type and amount of insurance coverage to address its risks up to delivery at final destination. FAO will pay only for the goods actually accepted at final destination after inspection at unloading point(s) and deduction of actual damages and/or liquidated damages for late delivery and/or quality deviations, if any.
7. **Prices:** Your unit prices, air/land/surface freight charges, insurance cost and total price shall be quoted separately for delivery to the destination(s) specified above on a **DPU basis (the bidder is responsible for the unloading of the goods at the final delivery point(s) as per given delivery location)** in accordance with Incoterms 2020. FAO will pay only for the goods actually accepted at final destination after inspection at unloading point(s) and deduction of actual damages and/or liquidated damages for late delivery and/or quality deviations, if any.
8. **Delivery time:** The preferred delivery date for goods on site including installation, if required, is within **forty-five (45) calendar days** from the issuance of the Purchase Order, but no later than **15 August 2026 for All five Lots**. FAO will endeavor to issue Purchase Orders with a minimum of 45 calendar days' delivery lead-time. Suppliers are therefore requested to quote their best delivery time in calendar days/weeks following receipt of eventual Purchase Order; as necessary, a schedule of delivery times and associated prices may be offered (e.g. later delivery time at a lower cost). FAO reserves the right to consider offers for delivery beyond the preferred delivery date if the offered delivery date still meets FAO requirements
9. **PO Terms:** Depending on the Incoterm basis on which FAO decides to procure the goods (DPU), the relevant contract (Purchase Order) will also be in compliance with those Incoterms.
10. **Validity:** Bids must remain valid with firm and fixed prices **for 60 days** after Tender Closing Date.
11. **Country of Origin:** The origin of the goods is to be indicated by the supplier.
12. **Right to Publish Contract Award:** In responding to our tender invitation and accepting the FAO General Terms and Conditions you hereby authorize FAO to publish the details of any contractual relationship it enters into with you, including, but not limited to, the supplier's name and address, value of the award and a description of the goods or services.
13. FAO supports and promotes the UN Global Compact -- "a strategic policy initiative for businesses that are committed to aligning their operations and strategies with ten universally accepted principles in the areas of human rights, labour, environment and anti-corruption." FAO encourages all of its suppliers to confirm their adherence to the principles of the Global Compact (<http://www.unglobalcompact.org/AboutTheGC/TheTenPrinciples/index.html>). All Vendors must agree to abide by the UN Supplier Code of Conduct located at https://www.un.org/Depts/ptd/sites/www.un.org.Depts.ptd/files/files/attachment/page/pdf/unscc/conduct_english.pdf.
14. **Sanctionable Actions:**
 - (a) The Supplier agrees to refrain from engaging in Sanctionable Actions, which are defined as follows:
 - "Corrupt practice" which means the offering, giving, receiving or soliciting, directly or indirectly, of anything of value whether tangible or intangible to improperly influence the actions of another party;
 - "Fraudulent practice" which means any act or omission, including misrepresentation that knowingly or recklessly misleads, or attempts to mislead, a party to obtain a financial or other benefit, or to avoid an obligation;

- "Unethical practice", which means any act or omission contrary to the conflict of interest, gifts and hospitality or post-employment FAO policies (see <https://www.un.org/Depts/ptd/about-us/un-supplier-code-conduct>), as well as any provisions or other published requirements of doing business with FAO, including the UN Supplier Code of Conduct (https://www.un.org/Depts/ptd/sites/www.un.org.Depts.ptd/files/files/attachment/page/pdf/unsc/condict_english.pdf); and
 - "Obstructive practice", which means an act or omission by a party that may prevent or hinder an investigation by the Office of the Inspector General of FAO.
- (b) If FAO determines that a bidder or supplier has engaged in misconduct or unethical practice constituting Sanctionable Actions during the selection process or in negotiating or executing the Contract, FAO may immediately terminate the Contract, without prejudice to any other rights or remedies it may possess. FAO may also impose vendor sanctions, as per FAO's applicable vendor sanctions procedures: http://www.fao.org/fileadmin/user_upload/procurement/docs/FAO_Vendors_Sanctions_Policy_-_Procedures.pdf. In addition, FAO may share information in this regard with other Intergovernmental Organizations, including UN entities.
- (c) Please note that Bidders who use an independent consultant to assist in the preparation of offers may risk engaging in unacceptable practices if the same consultant assists another Bidder to prepare an offer for the same tender. Bidders are reminded that they are fully responsible for the conduct of any employee or consultant who may be used to prepare offers for FAO tenders and they should take all measures to ensure that any employee or independent consultant engaged to assist in the preparation of an offer for an FAO tender has not and will not be involved in the preparation of an offer for another Bidder for the same tender process.
Bidders are kindly requested to disclose to the best of their knowledge whether their company has any personal or professional relationships with FAO. The disclosure shall include all relevant details and should include, but not be limited to:
- ANY current or past employment relationship with FAO of your company's representatives and employees;
 - ANY current or past relationship with any FAO staff member (family members, spouses, etc.) of your company's representatives and employees.
- (d) FAO may reject an offer for award if it determines that the bidder recommended for award, or any of its personnel, or its agents, or its sub-consultants, sub-contractors, service providers, suppliers and/or their employees, has, directly or indirectly, engaged in a Sanctionable Action in competing for the contract in question.
- (e) Fairness and transparency are fundamental principles for FAO procurement activities. Bidders that believe they were not treated fairly in connection with a FAO procurement process may present a protest within one month of receipt of notice of non-award. If a Bidder is not satisfied with the outcome or if no reply is received within this timeframe, the Bidder may submit a protest following the bid protest procedures detailed in the following link: <https://www.fao.org/unfao/procurement/ethics-code-of-conduct/protests/en>.
15. **Vendor Misconduct, Unethical Practice and UNGM Ineligibility:** The Bidder and its affiliates, agents and subcontractors should not, at the time of the conclusion of the Contract or at any time during its execution, be suspended, debarred, or otherwise identified as ineligible due to vendor misconduct or unethical practice by any United Nations System entity participating in the United Nations Global Marketplace (UNGM), including FAO, as reflected in the UNGM Ineligibility List and including through any cross-debarment arrangement. The Bidder shall immediately inform FAO of any such occurrence at any time during the term of the Contract. You acknowledge that FAO may, at its sole discretion, terminate the Contract or any contract with you in the event of such occurrence.

INVITATION TO BID (ITB) NO: 2026/FABGD/FABGD/136713

16. **Disclosure of Ineligibility under Non-UNGM or National Sanctions:** The Bidder is required to disclose to FAO whether its firm, or any of its affiliates, agents or subcontractors has been subject, at any time during the three years prior to the conclusion of the Contract, to any sanction, suspension, temporary measure or declaration of ineligibility due to vendor misconduct or unethical practice imposed by any UN System entity not covered under the UNGM framework, by any other intergovernmental organization not participating in UNGM (including through cross-debarment), or to any sanction of the same nature as UN Security Council sanctions imposed by any national government or public authority. The Bidder shall immediately inform FAO of any such occurrence arising throughout the execution of the Contract. You acknowledge that a breach of this provision will entitle FAO to terminate its Contract with you and that any material misrepresentations on your status constitutes a fraudulent practice.
17. **UN Security Council Sanctions:** The Bidder must certify that neither its firm, nor their affiliates, agents or subcontractors, is or shall be involved or associated with, and that none of the funds received from FAO under the Contract shall be used directly or indirectly to provide support to, individuals or entities subject of UN Security Council sanctions and appearing in the UN Security Council Consolidated List as may be amended from time to time. This provision must be included in any subcontracts, sub-agreements or assignments entered into under the awarded contract. You acknowledge and agree that this provision is an essential term of the awarded contract and any breach of these obligations and warranties shall entitle FAO to terminate the Contract immediately upon notice to you, without any liability for termination charges or any liability of any kind on the part of FAO.

3. Partial offers of requested LOTS are NOT acceptable. However, if none of the vendors can provide all items under each LOT, FAO reserves the right to go with partial offers under each LOT. To mitigate the risk of poor performance, FAO at its sole discretion reserves the right, depending on the results of the bids evaluation, to distribute the awards to different bidders i.e. who provide complete quantity for each LOT and best delivery period, provided that such offer represents the best value for money for the Organization. Depending on the evaluation results, FAO reserves the right to award multiple LOTs to either a single supplier or multiple suppliers.
4. **Arithmetical errors and discrepancies on the Financial Offer:**
 - If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price will prevail and the total price will be corrected, unless in the opinion of evaluators, there is an obvious misplacement of the decimal point in the unit price, in which case the total price as quoted will govern and the unit price will be corrected.
 - If there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals will prevail and the total will be corrected.
 - In case of discrepancy between a word and figures, the amount in words will prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures will prevail subject to the note above.
5. **Samples:** If samples of goods are required as part of the evaluation, as specified in the Technical Specifications (Appendix 1, IA. AB & IC), such samples are to be provided free of charge and are usually not returnable.
6. **Inspection:** In the event of an order, Inspection on quantity, compliance with technical specifications (quality), packing and marking may be arranged at loading/unloading by an independent superintending agency at FAO expense.
